'Eve-Teasing to War Booty!' 'Protect the Girls Now!' 16/12/2012

'A young student was gang raped & tortured by six men, thrown from a moving bus & dumped naked on the streets of New Delhi.

She was so badly beaten with an iron bar her intestines had to be removed. She remained in a critical condition, in a coma due to the trauma and serious injuries; Severe Organ Failure to her body and brain. Jyoti Singh Pandey died from cardiac arrest from swelling in the brain and infections she could not overcome'
Now is the time for Change, to Protect our most basic human rights.

“This Is My Body ~ My Tantric Temple” ~ ‘Ignorance Is Violence!’

This book is dedicated to all women who have suffered sexual violence, aggression, threat, intimidation, torture and atrocity!

‘An estimated 20,000 Bosnian Muslim women were raped and used as sex slaves.’ Rape was/is being used as a weapon of war’

These men are using their primal instincts to behave in bestial ways.

Their need to prove their Power and dominance is taking over any humanity they have and inflicting catastrophic trauma on women and their families. Hierarchical, closed, feudal, warring, corrupted cultures where a patriarchal system is sustained allowing for male superiority, yet not allowing them the freedom to treat women as equal in any loving way. The laws and customs of these societies condone exploitation of women (and children) allowing males the right to commit such horrendous crimes. Natural powers of sexual attraction, of desire, of lust unless the energies are channeled in a free, mutually loving way where ‘The Greatest Pleasure Is to Give Pleasure’ they become frustrated, angry, perverted and diabolical without any respect! Freedom is to give and receive ~ happiness. Where these feelings of consensual love are freely shared the acts of sex are able to give the couple a heightened awareness of bliss. Where these feelings are not expressed but repressed, suppressed, oppressed, depressed, the disconnect from reality brings psychosis. Passion flows openly with Consciousness being Unconditional Love.
