

An abstract painting with a vibrant, multi-colored palette of reds, oranges, yellows, blues, and purples. The texture is thick and expressive, with visible brushstrokes and a central circular motif that resembles a stylized eye or a celestial body. The overall composition is dynamic and energetic.

Most Wonderful Amazonia

*Just a glimpse of them ~ amazing!
So much jungle was burnt that year
(Area the size of Portugal)*

What have we lost ~

What have we lost?

“No Indians live there!”

Who’s seen this Official Map ~

*Redimensioning all the Originals, Indians, aborigines?
Again and again ~ ‘the Plan’ is to take over their land.*

“Oh boy is there going to be a Revolution in Brazil”

Another Unrealistic, NWO. Global Capitalist Policy.

No small holders benefiting ~ So what?

Farming Against the Amazonian Jungle!

How about the heritage of our Planet?

*Making it a burning Failure and tragedy,
the suffocation, subjugation of your beautiful family.*

This Bio-Eco-System was very Vulnerable (to Man)!

*Impoverished, truly deserving people, came for Hope ~
but Your migrant planners are not adapting to the forest.
Official Plot, Unrealistic, unscientific, unworkable scheme.*

*Senor, Governor you were Prospecting then, didn’t leave
enough time; deciding only for the rich, global corporations.*

Who Will Gain from this slash and burn?

The Amazon Is on Fire, Amazonia Is on Fire!

There Is No Ecological Account

*Cutting our Earth's lungs out with a chainsaw!
No reverence for a trillion year sophistication ~
A four year Plan! A wasted crime. You lost; most
of the nutrients were there, washed away in rain.
Standing by while our World Is raped by evil forces!

"Oh boy is there going to be a Revolution in Brazil"
Sea breezes relaying clouds of cooling vapour
Water falling ~ through the trees, canopy,
reaching to the soil, producing Nutrients.
All this feeds the animals and birds which help again
the forest cycle grow and reproduce. Absorbing rain ~
clouds, which feeds another essential link of this chain.
Deforestation cuts the trees holding the moisture,
soil and nutrients and growth and seeds and food
and animals and birds and plants ~ for propagation.
There's No carbon dioxide for the World to breathe.
No rain cycle to regenerate ~ Nature's equilibrium force.

Meanwhile we lost the Amazon without a murmur, bleep!
Was it worth so much destruction for your coffee, cropping,
International Profiteers? What's happening are you asleep?
And who will buy this product from you now? Why...
did you abandon and ruin this land, Senhor Governor?*

*Frontier town epidemics have killed all the Indians.
Half the tribe died from measles, they needed time ~
to prepare, to understand your invasion!
Here was Man's most precious heritage ~
Inheriting, nature's codes on how we became ~
who we are as a Whole. Now its all gone down
the Über Road to the money box, Banco Mundial.
This is more precious than any Treasure house.
They were all blissfully naked, this was LIFE, ALIVE!
HOW WILL WE EVER KNOW, NOW, this SPACE?

The Subconscious Undercurrent

*Life stream is the creative energy free flowing ~
Through sensations, essential for the human to live.*

*This also dictates how we react to the outside perceived objects,
with craving or aversion. This blind reaction from the deepest levels
of the mind continues our ignorance and we create more negativities
and defilements which in turn effect how we react to the next cause.*

We then continue on this Karmic wheel of ignorance and suffering ~

*If we can become Aware, equanimously of the Sensations on our
body/mind, realising their nature is to always change, this allows us
to Free ourselves from this chain of reaction and for the defilements
to be expelled from the deepest levels of our Mind ~*

*Realising this relationship through the practice of Dhamma and
Vipassana meditation and it leads to a harmonious, peaceful life.
Trust the wholeness of life and be happy with no paranoia or fear.*

*Knowing also anything can happen anytime ~ that this lifestream
will leave when its time is right. Relax accept this natural existence,
let it naturally flow ~ just be aware and **Enjoy the wonders of Life***

ABOUT SUNNY JETSUN

*Inspired by the sixties Sunny started traveling the world in 1970. His spiritual journey on the hippie trail to India took him through ~ San Francisco, Los Angeles, London, Amsterdam, Paris, Vancouver, Sidney and Kathmandu to Varanasi. His arrival on the sub-continent ~ was the beginning of writing autobiographical verses capturing his travel experiences, encounters with remarkable people and his quest for self-realization. Combining experimentation with drugs, sex, rock & roll, art, meditation, Love and life in general. Sunny started to open up to a multi-dimensional Universe. He lived the mantra, "Turn on, tune in, drop out" realising Mind's-illusions, inspired by deeper feelings of holistic nature, empathy * energy & Space.*

Over four decades Sunny has written and published 28 books of poetry, created over one hundred paintings, traveled the World and considers his masterpiece to be his daughter. He has spent the past fifteen years in Goa ~ India inspired by the freedom to experience and idealism of human consciousness.
