Their language is the strongest magic!

An abstract painting with a vibrant, multi-colored palette. The colors are primarily bright red, blue, yellow, and green, with some white and purple accents. The brushstrokes are thick and expressive, creating a sense of movement and energy. The overall composition is dense and layered, with various shades of the same color appearing in different areas, suggesting depth and complexity. The text is overlaid on the painting in a stylized, serif font with a pinkish-purple color and a slight shadow effect.

A painting depicting a Lingham (male symbol) and a Yoni (female symbol) in a dark, textured, brownish-gold setting. The Lingham is a rounded, egg-shaped object with a central opening, and the Yoni is a more complex, multi-layered structure. The background is a mix of dark brown, gold, and blue tones, suggesting a natural or earthy environment. The text "Making Puja to his Lingham" is written in a white, serif font at the top, and "Giving fruit to her Yoni" is written in the same font at the bottom.

connecting to divine, infinite, Cosmic Space.

Awareness of the Divine in You, being centred.

Smiling self, endorphine production, easiest way,  
to the hardest lesson, to go out of illusion's mirage.

Your body sensations are the Ultimate

Only You at the Vortex ~ **Full Power**

Spirit Is You and your self\*awareness.

'You' are your Spirit consciousness ~

Crying, dying or flying; without you  
the hardest lesson, letting go ~

Going out of my Mind, finding true space beyond.

Being, feeling, flowing freely, infinite boundlessness!

The hard lesson, losing your deepest love, attachment  
but here I am finally, know yourself, know your True self.

Giving Love energy, share living feelings, deep from the heart.

Healing, peaceful, happiness smiles; is this human destiny ~

## ABOUT SUNNY JETSUN

*Inspired by the sixties Sunny started traveling the world in 1970. His spiritual journey on the hippie trail to India took him through ~ San Francisco, Los Angeles, London, Amsterdam, Paris, Vancouver, Sidney and Kathmandu to Varanasi. His arrival on the sub-continent ~ was the beginning of writing autobiographical verses capturing his travel experiences, encounters with remarkable people and his quest for self-realization. Combining experimentation with drugs, sex, rock & roll, art, meditation, Love and life in general. Sunny started to open up to a multi-dimensional Universe. He lived the mantra, "Turn on, tune in, drop out" realising Mind's-illusions, inspired by deeper feelings of holistic nature, empathy \* energy & Space.*

*Over four decades Sunny has written and published 28 books of poetry, created over one hundred paintings, traveled the World and considers his masterpiece to be his daughter. He has spent the past fifteen years in Goa ~ India inspired by the freedom to experience and idealism of human consciousness.*

*Sunny Jetsun books and art are available on the web at:
