The background is an abstract composition of various shades of blue and green. It features a complex network of thin, dark lines that crisscross the frame, creating a sense of depth and movement. There are also larger, more prominent shapes, including a spiral in the lower-left quadrant and a rectangular structure in the upper-right. The overall effect is that of a microscopic or biological scene, possibly representing a cell or a network of fibers.

## ABOUT SUNNY JETSUN

Inspired by the sixties Sunny started traveling the world in 1970. His spiritual journey on the hippie trail to India took him through ~ San Francisco, Los Angeles, London, Amsterdam, Paris, Vancouver, Sidney and Kathmandu to Varanasi. His arrival on the sub-continent ~ was the beginning of writing autobiographical verses capturing his travel experiences, encounters with remarkable people and his quest for self-realization. Combining experimentation with drugs, sex, rock & roll, art, meditation, Love and life in general. Sunny started to open up to a multi-dimensional Universe. He lived the mantra, "Turn on, tune in, drop out" realising Mind's-illusions, inspired by deeper feelings of holistic nature, empathy \* energy & Space.

Over four decades Sunny has written and published 28 books of poetry, created over one hundred paintings, traveled the World and considers his masterpiece to be his daughter. He has spent the past fifteen years in Goa ~ India inspired by the freedom to experience and idealism of human consciousness.
