Efficient homeostasis is vital to Metabolic function so that a body performs, maintaining specific pH especially regulating blood's pH; Electrolyte mineral reserves. When too depleted its effects weaken immune system for fighting bacterial & viral infections. Affecting Toxic negative emotions, stress, resentment. Realise ~ before they Manifest as diseases on different levels ~ Detoxify what we're absorbing. Our choice to be Proactive consciously. Living the Present, forgiveness ("I don't want to prejudge it"). The Allowance of direct knowledge, consideration, friendliness, compassion, courtesy, kindness, creating harmony and balance. There is 'No Self' > just Attachment to the Intrinsicness of Self; Replenishes Survival Thinks we couldn't Exist without our Self! A Chemical Pollution <but this Dictator of Our Mind > Is Self. Creating 'Dukkha' because this is the result of all Ignorance ~ 'Honesty merits empathy ~ Who doesn't want this in their life?' From addictions, habits, delusions, experiences we've allowed! Seeds we plant bear fruit; develop a healthy body, mind & Spirit.

ABOUT SUNNY JETSUN

Inspired by the sixties Sunny started traveling the world in 1970.

*His spiritual journey on the hippie trail to India took him through San Francisco, Los Angeles, London, Amsterdam, Paris, Vancouver, Sidney and Kathmandu to Varanasi. His arrival on the sub-continent was the beginning of writing autobiographical verses capturing his travel experiences, encounters with remarkable people and his quest for self-realization. Combining experimentation with drugs, sex, rock & roll ~ meditation, Love and life in general. Sunny started to open up to a multi-dimensional Universe. He lived the mantra, "Turn on, tune in, drop out" realising Mind's-illusions, inspired by deeper feelings of holistic nature, empathy*energy ~ Space.*

Over four decades Sunny has written and published 28 books of poetry, created over one hundred paintings, traveled the World and considers his masterpiece to be his daughter. He has spent the past fifteen years in Goa, India inspired by the freedom to experience and idealism of human consciousness.
