*Why wonder  
why at any age ~  
why should you expect that  
something else could be more important?  
You can't categorise an age for everything

To be and be is essentially being.  
Your being has a blissful Soul ~  
Expression of which is at any time.*

*My Dearest Brother Who Loves Me*

*Dearest it could seem to you as if  
I do not appreciate your view (share it)  
or have your enthusiasm  
for + thinking as an end in itself.  
Well that the degree seems different is  
probably true even between me and you.*

*As an exercise as we are so close to each other  
I will try to justify my feeling.  
Yes, of course I try to allow (to believe)  
the space for what is to grow in grace  
but because I do not solely emphasize  
the point of the product between me and it  
(with the eventual emphasis on my being  
positively rewarded somehow) then others  
could see this as a gap not an open space.  
(A gap that really should not be there  
instead of an energetic space that is).*

*I feel in today's World this view:  
'Perception Production Promotion Predominates'  
Positive thinking is calculated to come out on top.  
This idea allows little emphasis of 'success' being a Creation ~  
Nature's Space (a void not avoid) which just is a consequence  
of (freedom) your right action, just a space  
which is a reward unto itself, a space not managed  
thank you ~ Yes, if to you I don't seem to follow  
your emphasis, formula, it doesn't mean that I  
don't see (although it could). If you don't love me  
can + thinking allow me the benefit of the doubt?*

*Even if this seems to be saying nothing ~  
if it all seems just to be playing with words,*

*if it seems escapist ~ not climbing the ladder  
if it seems, to be full of other kinds of zeros ~  
at the end, it doesn't mean that I don't see, appreciate,  
understand, share or am unaware (although it could).*

*Yes, I don't pretend to be an 'Executive'*

*We are brothers and I love you,*

*win or lose, I love you brother,*

REVOLUTION from IMPERIALISTS

*Why my dearest is this land so poor  
we are good people, we work hard but.....  
Is it true, are we inferior to those around us?  
Look at me my dear one.*

*Our land was conquered many years ago  
ever since I can remember there was always  
some King or Lord telling us, oppressing us,  
the way he thought was the best for himself.*

\*

*Now should we take the blame for their misrule?  
(as they will surely try and make us the guilty)  
We love our land, it is they who exploited it!  
These are the I M P E R I A L I S T S.*

*This poverty is not our devotion, hope and faith ~  
but since I was a little child there have been those  
Kings who wished to control all this beautiful land.*

\*

*They used their power so that the spirit ~  
of me, of you, of this wonder was ignorantly  
repressed and destroyed so they could dominate  
us and greedily live in their castle!*

*This poverty is not of me.  
They have corrupted my love  
so that they could rule,  
they have made us feel weak,  
ashamed, guilty of our simplicity,  
afraid to love ourselves.*

\*

*How could I grow since from a child  
they made me fearful in dire poverty ~  
Am I my true self or what they made me  
so that they could have the Power?*

*Yes my dearest, our land is beautiful  
it could grow the most inspiring fruit, flora and fauna ~  
giving us vegetables and healthy food, all of nature's gifts.  
We have lived too many days under the OLIGARCHS,  
who imagine their wealth is completely 'Natural'  
The land needs its freedom ~ a REVOLUTION.*

\*

*My dear one, I remember a man who sang ~  
that he loved the World, that he knew of lands  
of amazingly colourful flowers, sacred trees,  
birds and butterflies beside clearest waters.*

*How beautiful it could be in your land  
with love he said. Not a land of Occupation!  
I remember how much I loved these words  
And how much I dreamed of change but  
I would look at our land and despair.*

\*

*How could I create such a garden?  
I was so used to this reality of poverty  
that I could not imagine much more.  
There was always the King up in his castle.  
He psychologically dominated everything,  
so that I could not think beyond this World  
he had allowed us; But oh,  
how I wished and dreamed.*

\*

*The man loved us and by this wished to show us how to  
overcome the Imperialist and so rebirth our natural beauty.  
But we felt so dependent on the King,  
we could not open the castle's door.  
We gave the man no choice but to leave.  
With tears in his heart  
he promised that one day we shall be free.*

*My dearest the King is still fortified in his castle  
and we continue to be his subjects manipulated by our  
inferior complex until we can throw off this relationship  
whereby our hearts have meekly accepted  
his Lordly Superiority.*

*We are made the poorest in this Imperial affair.  
They have taught us to deny our inner selves.*

\*

*My dear one ~*

*When we love freely, not loving through fear,  
when we are loved freely, not as a subject of  
the Great Caesar and his army and pontiffs.  
Then we will realise that we do share and that  
we all do have a part of this Our Beautiful Land.*
