fear God and not violate his laws or try to legislate things God
did not permit" Men can have up to four wives if they can be fed.
The King's suggestion that 'Women should now be allowed to
work as supermarket cashiers, only for the job to be ruled off
limits to the gender by the Grand Mufti, the country's highest
religious leader. Women can't work, drive or be allowed to
travel abroad or undergo surgery without the permission of
a male relative. The clergy have stood behind the Kingdom's
ruling family by issuing fatwas barring political protests while
the government appears to back off promoting social changes'

ABOUT SUNNY JETSUN

Inspired by the sixties Sunny started traveling the world in 1970.

*His spiritual journey on the hippie trail to India took him through San Francisco, Los Angeles, London, Amsterdam, Paris, Vancouver, Sidney, and Kathmandu to Varanasi. His arrival on the sub-continent was the beginning of writing autobiographical verses capturing his travel experiences, encounters with remarkable people and his quest for self-realization. Combining experimentation with drugs, sex, rock & roll, meditation, Love and life in general. Sunny started to open up to a multi-dimensional Universe. He lived the mantra, "Turn on, tune in, drop out" realising Mind's-illusions, inspired by deeper feelings of holistic nature, empathy*energy & Space.*

Over four decades Sunny has written and published 28 books of poetry, created over one hundred paintings, traveled the World and considers his masterpiece to be his daughter. He has spent the past fifteen years in Goa, India inspired by the freedom to experience and idealism of human consciousness.
