And I would like to say that according to the Mayan Calendar ~  
December 21st 2012 marks the end of the Macha and the beginning  
of Pacha. It is the end of selfishness and the beginning of brotherhood.

It is the end of Individualism and the beginning of Collectivism.  
Scientists know very well that this marks the end of a anthropocentric  
life and the beginning of a Bio\*centric life. It is the end of hatred and  
the beginning of Love. The end of lies and the beginning of Truth.

It is the end of sadness and the beginning of joy.

It is the end of division and the beginning of Unity.

## ABOUT SUNNY JETSUN

*Inspired by the sixties Sunny started traveling the world in 1970.*

*His spiritual journey on the hippie trail to India took him through San Francisco, Los Angeles, London, Amsterdam, Paris, Vancouver, Sidney and Kathmandu to Varanasi. His arrival on the sub-continent was the beginning of writing autobiographical verses capturing his travel experiences, encounters with remarkable people and his quest for self-realization. Combining experimentation with drugs, sex, rock & roll ~ meditation, Love and life in general. Sunny started to open up to a multi-dimensional Universe. He lived the mantra, "Turn on, tune in, drop out" realising Mind's-illusions, inspired by deeper feelings of holistic nature, empathy\*energy & Space.*

*Over four decades Sunny has written and published 28 books of poetry, created over one hundred paintings, traveled the World and considers his masterpiece to be his daughter. He has spent the past fifteen years in Goa, India inspired by the freedom to experience and idealism of human consciousness.*
